**Titel:-The

# **THE LAST BATTLE**

**AUTHOR:-

**I**NTRODUCTION:-The Last

Battle is the final part of the fantasy series of the Chronicles of Narnia by C.S.Lewis. Here, Narnia is the place where all the fantasy characters stay. The king of this Narnia was Aslan, a Lion, but eventually, the king was defeated, and some evil captured this land, and the story continues.

I had chosen this book because a

movie had been created on this story and I had also seen this movie which fascinates me that time so I picked up this book at the end.

The story should have a great ending, and it should not be boring to read.

## SUMMARY

The characters involved in this

book are:-

1. Aslan, a lion who guides the people of Narnia but died.

2. Shift, an ape who misuses his power.

3. Puzzle, a donkey tricked by Shift.

4. Tirian, the last king of Narnia.

5. Jill and Eustace are brave and faithful to Narnia.

6. Emeth, a sincere follower of Tash (evil) but very honest.

7. The Dwarfs, bound by their own disbelief.

The story begins with two characters named Shift and Puzzle the first one is an ape and the second one is a donkey they were both friend one day in the waterfall they found a skin of the lion, Shift forced Puzzle to

wear that skin so that he could manipulate the narnia's people and rule over Narnia with Calormenes-enemies of Narnia. Puzzle got tricked and started following the order of Shift. King Tirian, the last king of Narnia, got this news and started to confirm with his friend Jewel the unicorn, but they got captured on the way and then rescued by

Eustace and Jill, children sent from earth to help them. then they exposed the false Aslan and gathered an army including Puzzle who was really shamed for his role. To maintain the power Shift with Calormenes introduced a new religion where they worship Tashlan, and many Narnians fall into this disbelief, even the Dwarfs who were once loyal to

Narnia. But Tirian challenged this lie and entered into the stable where he found the portal to the new eternal world, Narnia. There he met Aslan and other old characters from this Chronicle. Then, all Narnians with kind hearts were allowed to enter this new world, but Emeth, a Calormene, where also accepted by the Aslan because of his

goodness in his heart. In the end, the old Narnia ended, and the characters of Narnia discovered the true Narnia, which was more real, vibrant, and eternal.

ANALYSIS and OPINION:-

A happy but world-ending story, the end of Narnia was epic. But it can impact children.

Emeth :- In small part but great

story on his loyalty which lead him to new Narnia. "But he said, 'Alas, Lord that, he was no son of Thine but the servant of Tash''. He described how he was not afraid but felt a deep longing and sorrow. When Aslan approached him, he knelt and confessed his past.

the lesson convey a great philosophy that no matter in which

surrounding you are living but if you really want to change yourself then genuine chance will be given to you to improve yourself.

## PERSONAL CONNECTION:-

This book opened my eyes by depicting that never get carried away blindly. The story touched my heart when Emeth's part came into the picture because it

sticks with you the goodness.

## CONCLUSION:-

I will not recommend this book to children and also who haven't read the previous parts.

I will recommend it to those who love fantasy stories because they will enjoy it the most.
